I have read and agree to abide by the Prospector Square Property Owners Association (PSPOA) parking rules and guidelines available at [www.prospectorsquare.com](http://www.prospectorsquare.com). I understand rental of the stall is for vehicle use only and not intended for storage. I understand I will be assigned a stall with six-month payments due in June and December. Bills will be delivered on May 15 and Nov. 15. Failure to pay by June 25 or Dec. 24 will result in the stall be assigned to the next available person on the wait list. Stalls can only be assigned by PSPOA and cannot be reassigned by the renter. PSPOA assumes no responsibility for damage and vandalism to a vehicle while in the garage. Renter of stall recognizes that PSPOA reserves to right to vacate stalls for up to one week per year for cleaning purposes. At the time of this application, the rental rate is:

\$\_\_\_\_\_/month. The rate can and be adjusted in six-month increments at the discretion of PSPOA. For inquiries, contact the property manager at 1-888-832-1262 or email [info@prospectorsquare.com](mailto:info@prospectorsquare.com).
